Sussex Academy iPad Acceptable Use Policy Year One

Providing students with an individual iPad in a 1-to-1 environment gives an opportunity to enhance each students' overall learning experience. Utilizing the iPads at the Sussex Academy gives students the access to learn anywhere, anytime - both in classrooms and at home. This 1-to-1 personalized learning also narrows the digital divide between students and promotes responsible use of today's ever changing technologies.

All iPads remain property of the Sussex Academy and are subject to the same acceptable use guidelines as all other Sussex Academy provided electronic devices. All applications (apps), files and documents stored on the iPad are the property of the Sussex Academy. The school reserves the right to confiscate and search a student's iPad to ensure compliance with the Acceptable Use Policy. Students in violation of the Acceptable Use Policy may be subject to but not limited to repossession, overnight confiscation, removal of content or disciplinary action including suspension or expulsion. In the event of repossession or confiscation, completion of all class work remains the responsibility of the student. Sussex Academy is not responsible for the financial loss of any personal files that are deleted.

Student Responsibilities:

- Caring For The iPad
 - Students are encouraged to purchase protective covers/cases for their iPads.
 - The iPad screen is made of glass and therefore is subject to cracking and breaking if misused. Never drop nor place heavy objects (books, laptops, etc.) on top of the iPad.
 - Only a soft cloth or approved laptop screen cleaning solution is to be used to clean the iPad's screen.
 - Defacing of the iPad in any way is prohibited (stickers, markers, etc).
 - To extend battery life, students should always turn off and secure their iPad after work is completed.
 - Do not subject the iPad to extreme heat or cold (do not store in vehicles).
- Safeguarding and Maintaining as an Academic Tool.
 - The iPad is required to be at school every day, fully charged. Charging at school is prohibited.
 - If an iPad is left at home or is not charged, the student remains responsible for completing all coursework as if they had use of their iPad. **Repeat offenses will require the iPad be inspected by the Team Leader and 'checked out' on a daily basis.**
 - Malfunctions or technical issues are not acceptable excuses for failing to complete an assignment, unless no other means of completion exist.
 - Syncing the iPad to iTunes should be done regularly. Doing so will safeguard all files, documents and apps.
 - Items deleted from the iPad cannot be 'undeleted', so backing up your work is very important. Work completed on the iPad should be e-mailed to your Sussex Academy e-mail account then saved to a flash drive or the server.
 - Preloaded apps may not be deleted and they must be updated periodically.
 - Memory space is limited. Academic content takes precedence over personal files and apps. In the case of memory space conflict, personal files/apps must be removed at the student's expense.
 - Non-educational content *is for personal use only and should not be shared in any manner, audio or visual, with other students.*
 - The volume is to remain on mute unless headphones are attached and/or permission is obtained from the teacher.
