

## **Team PHOENIX Homework**

**Date - Wednesday, November 16**

ABSENTEES need to check mailbox for all handouts and be sure that they are glued into the appropriate notebook to be prepared for returning to classes.

**Writing** - Students revisited the definition of an essay, evaluated strength of topics for body paragraphs (along with supporting evidence) and chose an appropriate AGL strategy before writing the introduction paragraph for their marking period one reflections.

Junk Drawer - If you discovered a unicorn, what would you do?

**HW** - None.

**Reading** - returned reading check, proverb Quiz and discussed both. Discussed traits for characters, reading check for 2nd assignment (make-up ASAP).

**HW** - read up to Thursday, 9/7

**Math** - Today we worked with rational number applications.

**HW:** Period 1 only - Use your notes to complete Page 93 all and # 27 on Page 94 in your book. **Periods 2 and 3.** Complete pages 99/100 # 4 - 13 [Periods 4 and 5 - Complete the packet by Friday.](#)

**Science** - Today we finished observing data from the “cell” diffusion lab. Students began completing the post-lab analysis and conclusion. A classwork review sheet was attached to ISN page 46. **UPCOMING:** Cell Transport Quiz on Friday. Refer to resources on the science wiki site for additional help.

**HW** - Complete unfinished classwork (post-lab analysis and conclusion, ISN page 46). Review for Friday’s quiz.

**Social Studies** - Today we covered the *Pax Romana*

**HW** - Read Pax Romana cutout. Study for quiz tomorrow.

**Portfolio** - Back cover essays are due, typed, by the beginning of advisory period on Wednesday.
