

## **Team PHOENIX Homework**

**Date - Tuesday, January 3, 2017**

ABSENTEES need to check mailbox for all handouts and be sure that they are glued into the appropriate notebook to be prepared for returning to classes.

**Writing** - Students completed their final drafts, graded themselves and continued comma practice. Comma quiz is Tuesday, January 17th.

**HW** - None

Junk Drawer - Free

**Reading** - finished, discussed and edited p. 120; returned and discussed reading check on p. 121; started and discussed fig. Lang. assignment on p. 123

**HW** - read to end, log, proverbs

**Math** - Today students received their Unit 2 test and performance task back. We reviewed some of the processes needed to solve the problems and common errors. Then we began a KWL (k - know, W- what I need to know, and L= learned) chart to prepare for working with equations.

**HW:** All students are to make test corrections on a lined piece of paper. Directions for this are with your test in your mailbox.

**Science** - Welcome Back! Today we reviewed classification/taxonomy. Students created a dichotomous key for pasta in the Top Chef activity. Period 4, summarized notes and worked on a "smiley face" dichotomous key.

**Science Fair:** Research notes and Summary of Findings are due 1/12. See handout for directions or refer to science class website. This is worth 15 points!

**HW** - Work on SF Research Notes

**Social Studies** - Today's lesson was about courage and determination using Joan of Arc as an example.

**HW** - Please write about a time in your life that you displayed great courage.

**Portfolio** - Goals should be completed and inserted into the introductory section of your portfolio, according to your teacher's deadline.
