

Team PHOENIX Homework
Date - Tuesday, March 14, 2017

ABSENTEES need to check mailbox for all handouts and be sure that they are glued into the appropriate notebook to be prepared for returning to classes. You are responsible to TURN IN all missed work one day, plus one additional day, after your absence. If you are absent 3 days, everything is due on day 4.

March 16 - Last day for Academic Challenge forms to be submitted, as a responsible student, Mrs. C. will not accept them late. Thank you for turning them in early :-)

Writing - With peers, students revised their informative essays for ideas and organization. They also practiced with frequently confused words.

HW Junk Drawer - Free.

Reading - worked on characterization in "War of the Worlds" ; CSET on p.197: Scene 1 is out of sequence; it is a preview of the danger and excitement that will come later in the play. If you were to move Scene 1 to its chronological place in the play, where should you put it? Justify your answer using details from the text.

HW - Work on your log

Math - Today students worked with angles in a diagram. Practiced finding the value of side lengths using equations and used geometric vocabulary. **Foldables were submitted!** PSAT scores are in and were shared with students today during Exploratory, Mrs. Fees answered questions and explained how the PSAT affects Academic Challenge forms for evaluation. If parents have further questions, please contact: Debbie.Fees@saas.k12.de.us

HW - Period 1 only (complete page 256) All others: Finish warm up, Finish Pg. 256 and DO pages 257/258 including # 20 and 21.

Science - Today we reviewed for Wednesday's Cell Cycle quiz. Discussed ISN page 115 and 116. Students created study evidence. **Period 4-** Cell Cycle Quiz will be on Thursday. Science Fair computer work day is Thursday, come prepared!

HW - Review for Cell Cycle Quiz

Science Fair: ALL DATA was collected Tuesday. Next Step: Graphing data. Resources on class web-site under the Science Fair page. <http://saphoenixscience.wikispaces.com/home>

Social Studies - Today we learned the fate of the Taino Indians after Columbus arrived to the "new" world.

HW - Noted English physicist Stephen Hawking says that humans should never try to contact life outside of our planet. Explain. One web source needed. 50 word minimum.
