Team PHOENIX Homework
Date - Thursday, April 27, 2017

ABSENTEES need to check mailbox for all handouts and be sure that they are glued into the appropriate notebook to be prepared for returning to classes. *You are responsible* to TURN IN all missed work one day, plus one additional day, after your absence. If you are absent 3 days, everything is due on day 4.

Interims have been moved to May 9 - Error on School Calendar

Writing - Students practiced with pronoun/antecedent agreement and provided feedback to peers who read their first body paragraphs aloud.
HW - Junk Drawer - None.

Reading - most classes worked on listening skills and paired passages on p. 254.
HW - log (p. 255)

Math - Today students worked on a classwork assignment using rational and irrational numbers and Scientific Notation.

HW: None - Enjoy this warm weekend and get OUTSIDE!

Science - Today students competed in the Density Challenge. They had to devise the "heaviest" container that filled with sand would float in water. They used their knowledge of density and geometry to complete the challenge.

HW - No written homework. Density Quiz on Tuesday (5/2)

Science Fair: Congratulations- Science Fair presentations were great! Students did a fantastic job independently using the scientific method to solve a problem. Homeroom and 7th grade awards will be posted on Monday. Shark Tank final round winners will receive a Pizza Party! (date to be announced)

Social Studies - Today we discussed the history of decorating eggs.

HW - Have a relaxing vacation.

Portfolio: Grade graphs should be updated and marking period three report card filed in portfolio.
